

OUR STORY

Ancon Construction is a leading commercial design-build contractor based in Goshen, Indiana. Offering a full range of services, including planning, site selection, development, architectural design, rezoning, code compliance, construction, remodeling, and maintenance, we are committed to delivering exceptional results to our clients. As a 100% Employee-Owned company, we take pride in being a regional leader in the industry with a history of excellence in the Michiana community since 1975.

LEADERS IN THE DESIGN | BUILD INDUSTRY

"Ancon has been a great learning experience. I have enjoyed my time there and would recommend joining to anybody trying to gain experience in the construction process. Great people and great mentors."

- Andrew

Ancon Construction's College Level-Up Internship Program

Our internship program provides you with the opportunity to learn and develop essential management techniques, communication skills, and leadership principles through mentorship and practical experience in commercial construction. It serves as a foundation for a well-rounded professional and helps you determine the best career path within the industry.

- ▲ Paid Internship Program
- ▲ Experienced Mentors
- ▲ Hands on Practical Skills
- ▲ Effective Management Skills

First Year - Field Experience

Gain valuable knowledge and experience in the field with guided hands-on experience.

Second Year - Superintendent Shadow

Learn from and follow an experienced superintendent, gaining valuable insight and understanding of leadership in the field.

Third Year - Office Experience

You will be paired with a project manager to gain hands-on experience in project management, leadership and the business side of the industry.

Fourth Year - Choose Your Path

Whether you prefer the management and leadership of the field or the office, our program will help you find the best fit. We want you to excel in the career that is right for you.
